*Jacksonville  
Genealogical Society, Inc.*

This series of the Florida Indian Wars Militia Muster Roles has been produced through the courtesy of the Jacksonville Genealogical Society. The Historical Services Division of the Florida Department of Military Affairs provided the photostatic copies of the original muster roles and individual members of the Jacksonville Genealogical Society laboriously transcribed the information contained therein and later, proofed and typed them. They have been accorded the right to produce these lists in book form for commercial sale.

The Department would like to express its deepest appreciation to the Society for their willingness to help us provide this important historical material to the widest possible audience.

Muster Roll of Captain George E. McClellan's Company of the Regiment \_\_\_\_\_  
 Brigade of Florida Mounted Militia, commanded by \_\_\_\_\_ ordered into  
 service of the United States by \_\_\_\_\_ from the 15<sup>th</sup> day of July 1840  
 (commencement of the Territorial Service) to the twenty-eighth day of  
 November 1840 when discharged.

I certify, on honor, that this Muster Roll exhibits the true state of Captain Geo. E. McClellan's Company of the Florida Foot Militia for the period herein mentioned; that the remarks set opposite each officer and soldier are accurate and just, and that the recapitulation exhibits, in every particular, the true state of the Company. Signed by:  
 George E. McClellan, Capt., Commanding the Company  
 Date: Nov 23 1840  
 Station: Lancaster (Alligator Settlement) E.F.

I certify, on honor, that I have examined this Muster Roll, and that I have this 23 November 1840 mustered and minutely inspected the above named Company of Florida M<sup>d</sup> Mil<sup>a</sup> into the service of the U.S. for the time served; and is hereby honorably discharged. S. Churchill Maj. 3<sup>rd</sup> Art Inspector and Mustering Officer.

Extract of a letter from Secretary of War to the Governor of Florida dated Sept 10, 1840.

The troops your excellency thought expedient to call out during this emergency will be mustered into service, and such portion of them as excess the number assigned the command of Gen<sup>r</sup> Read, by the last order of that officer a copy of which has been transmitted to you, will be discharged.

A true extract. S. Churchill, Maj 3<sup>rd</sup> Art

Remarks by mustering Officer.

The time of the "emergency" supposed to be alluded to in the above extract, was Aug 18 Capt McClellan had raised a company, by order of the Gov. of Flor. in July and was on the march to Newnanville the 17 Aug to be mustered into the service of the U.S. as part of the "one thousand" then to be received, but, on the way, he was informed of the depravations and murders by the Indians in the part of country he had left and therefore, returned with his company; and Capt McClellan's company was mustered in place of it from Aug 22. I'm satisfied the company was in the Territorial Service from the dates on the roll - (see my letter to Adj. Gen<sup>l</sup> Jones of Oct. 9) this is the only company to be received, as above, which will date prior to Aug 18; and this company \_\_\_\_\_mencement of the terms, whether Aug 18, or July 15, is submitted for decision of the War Dept.

This company by its strength, is entitled from July 15 to Aug 23 to a 1<sup>st</sup> lieut, 2<sup>nd</sup> lieut and three Serg<sup>ts</sup> - three Corp<sup>s</sup> - one Bugler. And, from Aug 24 to a Capt, 1<sup>st</sup> lieut, 2<sup>nd</sup> lieut, 1<sup>st</sup>, 1<sup>st</sup> Serg - three Serg<sup>s</sup> - four Corp<sup>s</sup> - two Buglers. Approved to be mustered from July 15, J.R.P.
